Crew Spotlight – Kristen Vella

Five-time crew member Kristen Vella is excited to return as this year's lunch crew captain for the 2016 Rexall OneWalk to Conquer Cancer. Vella first got involved with her mom, aunt and cousin after her aunt was diagnosed with breast cancer.

"I knew walking wasn't my thing but I wanted to be involved," Kristen said. Sadly, her aunt passed away but her family crews, year after year, in her honour. As a teacher, Kristen says she's seen too many children lose parents to cancer and she feels great being able to give back.

Vella says she's always impressed with the incredible job the crew does each year. "It's a good time for a great cause. "Everyone is so supportive of one another on event," Kristen added. "You know you're doing something special." Hearing about the advances in cancer research and seeing everyone pull together for a common goal makes the OneWalk a wonderful experience.

Vella is a little nervous as a first time captain but is excited for a great year. To anyone interested she encourages them to register and join the lunch crew. "You have to try it at least once and give it a shot. Remember that it's not for you but something bigger!"

If you've got friends or family who may be interested, please share the link below.
